

MAKINDE IFEOLUWA JOSIAH

IT Support Specialist | Networking & Cybersecurity Fundamentals

Gonin Gora, Kaduna State, Nigeria • josiahchrismakinde@gmail.com • +234 913 362 4220 / 706 436 8357 • [linkedin.com/in/josiah-makinde-2a55011b7](https://www.linkedin.com/in/josiah-makinde-2a55011b7)

PROFILE SUMMARY

Computer Science graduate and IT Support professional with three years of progressive, hands-on experience across corporate, government, and automotive-sector environments. Currently ICT Manager for a chartered accountancy firm, responsible for daily IT operations, data security, and user support. Cisco-certified in networking and cybersecurity fundamentals, with a track record of resolving hardware, software, and network issues while keeping downtime to a minimum. Clear communicator with a service-oriented mindset and a genuine interest in growing further into network administration and cybersecurity.

CORE SKILLS

- IT support & troubleshooting: Windows OS, Microsoft Office, printers, desktops, laptops, peripherals
- Networking fundamentals: IP addressing, DHCP, LAN/WAN setup and troubleshooting
- User account administration, access control, and data backup/security practices
- Hardware & software installation, configuration, and lifecycle maintenance
- Remote and on-site helpdesk support; incident documentation and escalation
- Cybersecurity fundamentals: security awareness, antivirus/firewall configuration
- Strong communication (fluent English), attention to detail, and independent problem-solving
